At Millhopper Family Dentistry

Our 12th annual "Care to Share" event will be held on Saturday, April 1st, 2023.

Care to Share is first come-first serve treatment to the first 100 patients. Show up early and we will hand out numbers to the first 100 people in line at 7:30am. All that patients need to bring with them is a photo id. Just make sure to show up early, over the past few years we have had people get in line starting on Friday afternoon. Please remember to prepare for the weather and bring snacks and water to have while waiting in line for treatment.

Over the last six years, the annual Care to Share free day of dentistry event held by Millhopper Family Dentistry has been a huge success. Over 50 volunteers have been able to take care of dental needs for over 1100 patients.
